

Social Innovation Learning Program (SILP)

Participant Agenda

May 9-12th , Hotel Lac Carling, 2255 Rte 327, Grenville-sur-la-Rouge, QC JOV 1B0

The overall purpose of SILP is to:

- Enable practical application of social innovation tools and frameworks to support impact
- Support participants on their journey as social innovators – via reflection, learning & support
- Create an experience of peer connection, interaction and applied learning
- Connect participants to a larger network of social innovators
- Grow organizational ability to act as part of a wider ecosystem and see wider systems
- Energize and inspire participants in their work for change
- Increase McConnell Foundation’s knowledge of participant organization aspirations and challenges to inform future collaboration, funding and capacity-building

Specific participant objectives for this gathering are to:

- Apply social innovation mindsets and methods to your organizational context
- Gain strategic input from peers on a current organizational challenge or opportunity
- Connect with each other and to further resources to support organizational learning
- Leave feeling energized and inspired as a whole person (head and heart)
